Expert In Residence Grants			
<p>From Page to Stage – Performance Theatre Eighth grade students will see a live performance of a text connected to the 8th grade curriculum. The performance will be selected prior to the new school year and it will occur at the Warwick Middle School.</p>	Warwick Middle School	Dr. Michael Smith	\$2,000
<p>Franklin Institute – “Flight” Students will participate in The Franklin Institute’s Traveling Science Show, “Flight.” During the assemblies, students will trace the history of human flight. Students will observe scientific demonstrations including bird-like flight of an ornithopter and a hot air balloon launch. They will explore some of the science that makes gliders, airplanes, and jets possible. Current topics of air pressure, Bernoulli’s principle, and Newton’s third law will be covered.</p>	All Elementary Schools	Jason Balsbaugh	\$2,500
